

Independent contractor agreement

Prepared for Northstar Studio and Alex Morgan

1. Scope

The contractor will provide product design and engineering services described in mutually approved statements of work.

2. Term

This agreement begins on September 15, 2026 and continues until the services are completed or either party provides written notice.

3. Fees

Northstar Studio will pay approved invoices within thirty days. Expenses require written approval before they are incurred.

4. Ownership

Work product created and paid for under this agreement transfers to Northstar Studio, excluding the contractor's existing tools and materials.
